Please be aware that your employees who do not have access to the internet can still enjoy Fan Club savings by calling Universal Parks & Resorts Vacations at **888-777-2131**. Thank you for your patience and support as we transition Fan Club to an online program. If you have any questions about Fan Club and these added benefits, please call me at 866-886-5027 x1.

Finally, look for **Revenge of The Mummy**, Universal Studios Florida's newest ride, this spring. It is located in the New York backlot, where Kongfrontation was. It's going to be amazing, as amazing as Spiderman (at Islands of Adventure).

Many thanks!
